June 30, 2004

When at Mary Conover,

I hired "The Carpentry and Painting Experts" to repair deteriorating wood, gutters, and paint the exterior of our home in Westover Hills, Richmond, Virginia.

The work was done in an expert and efficient manner and both my husband and I highly recommend Mr. Georgiev. It was a pleasure doing business with Mr. Georgiev who was most reliable, professional, skilled, and courteous at all times.

Sincerely,

Mrs Matthew McNally
