Alex,

First of all I want to express my sincere thanks for all the work that your company did in my home. In both cases The Carpentry and Painting Experts worked with us to get all of the repairs completed within the urgent time table that I had. The staff were always very professional, on time and their work was excellent. I feel very fortunate that I had kept your advertisement in my files and was lucky enough to be able to use your services.

I highly recommended The Carpentry and Painting Experts to anyone who needs your services. They will find your company to be professional, friendly and willing to work within their time tables to accomplish the work.

Thank you again for the great job.
