To Whom It May Concern:

This letter of recommendation is to let you know how very satisfied we are with the painting job on the exterior of our home. Your company delivered quality work at a reasonable price and in a very timely manner. These were all aspects of the job that were important to us. Please feel free to use us as a recommendation. We would use your company again and recommend you to others. Thank you again for a job well done.

Sincerely,

Gilly & Elaine Clough
